Regulatory Information

ALL PARAFILM® PRODUCTS AND FLORAL TAPE

Effective Date: January 1, 2015

- SDS/MSDS** Concerning Safety Data Sheet (formerly known as Materials Safety Data Sheet), please be advised that Parafilm® Products and Floral Tape are considered non-hazardous articles and are exempt from the requirement of Safety Data Sheets (SDS) in accordance with OSHA Hazard Communication Standard (29 CFR 1910.1200), European Union Regulation (EC) No 1272/2008 for Dangerous Substances and Preparations, Article 31 of the European Union Regulation (EC) No 1907/2006, or other similar regulations around the world.
- REACH** Concerning Regulation (EC) No 1907/2006, commonly known as REACH, please be advised that a) Bemis is aware of the obligations under REACH; b) Parafilm® Products and Floral Tape are classified as "articles" and are exempt from the Registration requirements; c) As of the date of this declaration, Parafilm® Products and Floral Tape do not have substances of very high concern (SVHC) reportable under REACH and are not tested for the presence of SVHC; and d) Parafilm® Products and Floral Tape comply with the restrictions in Annex XVII of REACH.
- Consumer Safety (Prop 65)** Concerning Proposition 65, please be advised that Parafilm® Products and Floral Tape a) comply with the California Safe Drinking Water and Toxic Enforcement Act of 1986; and b) do not require a consumer warning on the basis that there is no exposure to any of the Proposition 65 substances in reasonably anticipated uses.
- Heavy Metals** Concerning the presence of heavy metals, please be advised that Parafilm® Products and Floral Tape a) do not contain any intentionally added lead, mercury, hexavalent chromium, or cadmium, and b) the total incidental concentration of the four heavy metals is below 100 parts per million. Parafilm® Products and Floral Tape comply with Toxics in Packaging Clearing House model legislations (TPCH, originally drafted by CONEG), including California's Toxics in Packaging Prevention Act. Parafilm® Products and Floral Tape also comply with the European Union's Waste Directive's (94/62/EC) restrictions on heavy metals. Parafilm® Products and Floral Tape are not tested for the presence of heavy metals.

RoHS	Concerning EU Directive 2011/65 (RoHS 2), please be advised that Parafilm® Products and Floral Tape a) do not contain any intentionally added lead, mercury, hexavalent chromium, or cadmium; and b) do not contain any intentionally added brominated flame retardants. The concentration of the individual substances will be below the restricted levels. Parafilm® Products and Floral Tape are not tested for the presence of these substances.
Phthalates	Concerning ortho-phthalate ester plasticizers (phthalates), please be advised Parafilm® Products and Floral Tape comply with the requirements in the US Consumer Product Safety Improvement Act (CPSIA) of 2008 and the European Union Regulation (EC) 1907/2006 regarding both the concentration limit and the usage of the following substances: dibutyl phthalate (DBP, CAS RN 84-74-2), benzyl butyl phthalate (BBP, CAS RN 85-68-7), di(2-ethylhexyl) phthalate (DEHP, CAS RN 117-81-7), di-n-octyl phthalate (DnOP, CAS RN 117-84-0), di-isononyl phthalate (DINP, CAS RN 28553-12-0), di-isodecyl phthalate (DIDP, CAS RN 26761-40-0). Parafilm® Products and Floral Tape are not tested for the presence of these phthalates.
Other Substances of Interest	Bemis does not intentionally add the following substances in either the manufacturing processes or product formulations of Parafilm® Products and Floral Tape: bisphenol A (BPA, CAS RN 80-05-7), bisphenol S (BPS, CAS RN 80-09-1) perfluorooctanoic acid (PFOA, CAS RN 335-67-1), perfluorooctane sulfonate (PFOS, CAS RN 1763-23-1), alkylphenols and alkylphenol ethoxylates. Parafilm® Products and Floral Tape are not tested for the presence of these substances.
Major Food Allergens	Concerning major food allergens, please be advised that Parafilm® Products and Floral Tape a) are not edible food or food ingredients subject to the Food Allergen Labeling and Consumer Protection Act (FALCPA) or the European Union Directive 2007/68/EC, b) do not contain allergenic or sensitizing substances derived from one or more of the following major food allergens: milk, eggs, fish, crustacean shellfish, tree nuts, wheat, peanuts, milk beans, celery, mustard, sesame, mollusks, lupin, and sulphur dioxide, c) are not produced on equipment where these allergens could be used, and d) are not produced in the same facility where these allergens are present.
Conflict Minerals	Concerning section 1502 of Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, please be advised that Parafilm® Products and Floral Tape do not contain Conflict Minerals (columbite-tantalite, cassiterite, wolframite, and gold).

DISCLAIMERS: The information provided in this document is intended to answer certain frequently-asked questions about PARAFILM® PRODUCTS AND FLORAL TAPE and is representative of Bemis Company, Inc.'s knowledge and belief based in whole or in part on information provided by Bemis Company, Inc.'s suppliers. Information is supplied upon the condition that the persons receiving the same will make their own determination as to its suitability for their purposes prior to use. Customers are encouraged to consult with legal and/or regulatory experts to determine applicable product regulation(s) in light of intended use of PARAFILM® PRODUCTS AND FLORAL TAPE.
